Door-drop Insert - $3,000
Delivered to all medical attendees on Saturday night at the Headquarter hotel, this is the perfect opportunity to preview your product launches, in-booth demonstrations, and other activities attendees will not want to miss. (Maximum of two-sided, 8.5”x11”).

Educational Grants

General Course Grant - $15,000
The course directors go to great lengths to provide the most relevant and up-to-date content for this meeting. Help show your commitment to providing quality education with a course grant. If your budget cannot accommodate this requested amount, the CNS can work with you and accept an amount that’s feasible for you this year.

General Information

Course Overview
This 2 day course is intended for the recent residency graduate or post-graduate fellow embarking on their neurosurgical career. The format promotes interaction with faculty and peers through focused lectures, question and answer sessions, small group discussions, and a networking cocktail hour and dinner. The concepts and strategies that are provided will be applicable to those starting in community practice, academic practice, military practice and those in other government neurosurgical positions.

Learning Objectives
Upon completion of this course, participants will be able to:
• Implement systematic processes to establish effective physician-patient relationships that translate to an improvement in patient outcomes, patient safety, and patient satisfaction while reducing medical errors and their legal implications.

• Describe indications (and the lack thereof) for surgery for various neurosurgical disorders commonly encountered in clinical practice.

• Identify techniques and methods to become more productive, an effective contributor in your new work environment/partnership/ practice.

• Identify strategies to help establish a career focus in conjunction with your clinical work while maintaining balance with your health (mental and physical), other important responsibilities and passions.

• Identify how to develop a sub-specialty focus in surgical neurooncologist through establishing clinical trials, obtaining grants and developing collaborative networks.

The CNS designates this live activity for a maximum of 11.25 AMA PRA Category 1 Credits™.

2023 Industry Allies Council
Participation in any of the above opportunities will go towards your company’s year-round support of the Congress of Neurological Surgeons and will contribute to your overall CNS Industry Allies Council Level, which provides additional recognition and benefits at the 2023 CNS Annual Meeting and throughout the year.
